this Decision makes

Process, the structure

that was demolished

for the Control Center

could of Been used

~~for~~ ^{AS AN} Apartments

^{Building} for Hill District

NOT PROPERLY

Reviewed

A DEAL Behind closed
DOORS with a Biased group
of Business owners + government
officials was improper
and unethical -
this was a one sided

DEAL. The Pittsburgh

Penguins got what they

wanted .. A NEW ARENA.

The 18 plus thousand seat
venue is much larger than
the CIVIC ARENA.

④

the CONSOL center
needs PARKING. This
is what the Civic Arena
LAND is BEING USED
FOR NOW. NO ONE
FORCED the PENGUIN
TO BUILD the CONSOL
Center where it is
the CONSOL ARENA
SHOULD HAVE BEEN
BUILT BETWEEN
PNC PARK & Heine
Field -

5

The Civic Arena
was originally
built for the
Civic Light Opera
The Peruvians weren't
even a team in 1960.

How does a CANADIAN
BORN ^{former} Hockey player
get to make a decision
that allows a one
of a kind building
to be torn down.

(6)

This Build
The Civic Arena
is irreplaceable
and every inch
of its 20 plus Acres
inside and out
should be used
as a ~~multi~~^{multi} purpose center
there is nothing
to do in Pittsburgh
MARIO Lemieux
and his wife
have set up

⑦

Rooms in hospitals
for visitors and patients
to unwind together.

He named these rooms
after his son.

There is a large
MURAL OF MARIO

INSIDE THE CONSOLE
CENTER.

Action must be taken
immediately to constitute
this crime

⑧

A temporary + and then
permanent injunction
must be issued to prevent
one of the greatest

conspiracies to

Destroy A Man Made Marvel,
The preservation of
The ARENA HAS been
A gross miscarriage
of Justice.

The Deal Between
The SEA, The City
of Pittsburgh,

(9) The Pittsburgh Penguins
was written in
stone. The VRA
and History & Landmark,
A ^{Notland} Agency Have also
Been Negligent.

This whole process
to Designate the Arena
a Historic Landmark
Has Been A Fraud.

All Parties

should Be

Held accountable

(10)

IN REGARDS TO THIS
I AM ASKING FOR RATHER
A FULL INVESTIGATION
BY THE FBI, THE DISTRICT
ATTORNEY AND UNITED
ATTORNEY OF THE WESTERN DISTRICT
OF PENNSYLVANIA DAVID J.
HICKOR. MAYOR LUKE RAVENSTAL
AND THE CO OWNERS
OF THE PENGUINS
RON BURKLE AND
MARCO LEMUEUX
WERE FLYING IN
MR BURKLE'S
PRIVATE JET

(11)

This is collusion-
Between the Mayor
of Pittsburgh and
the people responsible
for Dismantling
the ARENA -

MAYOR ROENSTADT
Broke the Law by
not Disclosing
the fact that he
accepted a trip
worth over \$5000
He paid back
~~at first~~

(12)

more than this.

However this matter
should not be
taken lightly.

Mayor Ravenstall
legally changes his
Name to Steckerstall
for a Day. He

is pro sports. ~~Ravenstall~~
was a Steeler Quarterback

Ben
Roethlisberger is the same week long
~~Roethlisberger~~

and thanks him for
the story

(13)

Riverside And a
 private tent at
 a south side works
 concert sponsored
 by American eagle.
 American eagle
 got the Xmas rights
 for the ~~the~~ Roovers

Owned indoor cut door
 the ~~the~~ ^{stage} AE-
 the steelers
 Built a building
 next to Heinz field
 that looks like a warehouse

(14)

A LARGE DOOR opens
 to a GRASS LAWN
sloped ~~to~~ for "ood door shows

However the Civic
 arena Dome opens
 up. It is A MARVEL
 that the last generation
 of Pittsburghers
 have never witnessed.
 Why? Because the
 Penguins Hungry Score Board,
 Lights, etc from
 the ceiling of Dome
 interior

(15)

Now instead of
giving the ARENA
Back to the Citizens
of Pittsburgh
Mario Lencux in
his infinite
wisdom has worked
hard in hand
with the SEA,
and City of
Pittsburgh to
Destroy it.

(16)

the History & LANDMARK
Agency is Hired by
the Mayor and city
of Pittsburgh. Why
would they Deny
the wishes of their
Bosses.
